If Applicant does not give written notice to FDH within seven (7) calendar days from the date of such invoice of any objection to the Goods listed, the receipt thereof, that such purchase was unauthorized or any other objection, all such objections shall be deemed waived. Applicant waives any and all right to set off claims, which it may assert against FDH, and/or to withhold payment to FDH based on a claim that FDH is indebted to Applicant. Applicant agrees to examine all invoices and statements promptly upon receipt and to notify FDH immediately at any failure of delivery, shortage, discrepancy or error and further agrees that such invoice or statement shall be presumed correct unless Applicant shall notify FDH in writing of such failure of delivery, shortage, discrepancy or error within three (3) calendar days of Applicant's receipt of such invoice or statement. Use of materials by Applicant shall constitute a waiver of any error in shipment or defect in materials, which might have been determined by a prompt and diligent inspection thereof.
4. Any waiver or non-enforcement by FDH of a breach, default or term under this Agreement shall not be deemed a waiver of any subsequent breach or default of enforcement of such term and FDH shall only be deemed to have given as much in writing executed by FDH providing for such waiver. If any provision of this Agreement is waived by FDH or is held to be invalid or unenforceable, all other provisions shall nevertheless continue in full force and effect as if such provision were not contained herein.
